INDIA TRADE PROMOTION ORGANISATION
A PROFILE

The India Trade Promotion Organisation (ITPO) has a rich history that spans several decades and has played a crucial role in facilitating global trade and fostering economic cooperation among nations.

The first exhibition called "Railway Exhibition" was held at this venue on April 16, 1953 to commemorate the hundred years of Indian Railways. The exhibition complex took shape when the "World Agriculture Fair" was hosted here in 1958. The Indian Industry Fair was a landmark event at the venue during December 11, 1959 – March 8, 1960. Importantly, this fair was visited by the then US, President H.E. Dwight D. Eisenhower along with a high powered delegation. The exhibition complex was rechristened as Pragati Maidan in 1972 when "Asia 72", a mega trade fair was held to celebrate the Silver Jubilee of India's independence. The venue again attracted global attention when Queen Elizabeth of Britain visited Pragati Maidan in 1983.

India Trade Promotion Organisation (ITPO) came into being on January 1, 1992 with the merger of Trade Fair Authority of India (TFAI) established on April 1, 1977 by an Act of Parliament and Trade Development Authority (TDA) set up in 1970 as a registered society. The company is registered under section 25 of the Company Act, 1956 (now section 8 of the Companies Act 2013).

India Trade Promotion Organisation (ITPO), the premier trade promotion enterprise of the Ministry of Commerce & Industry, Government of India is committed to showcase excellence achieved by the country in diverse fields especially trade and commerce. Its mission is to promote, facilitate, encourage and coordinate various activities and programmes to enhance India's share of exports. ITPO provides a wide spectrum of services to trade and industry and acts as a catalyst for growth of India's trade and commerce.

Significantly, grown with every business event in stature and dimension, Bharat Mandapam, headquarter of the ITPO which is considered as a symbol of the "Modern Fair Culture" in South-Asia region. ITPO manages India's world class exhibition complex which is constantly upgraded to keep it in a high standard of readiness.

The primary objective of ITPO was to enhance India's export potential by organizing trade fairs, exhibitions and buyer-seller meets both within the country and abroad. These events provided a platform for Indian business to showcase their products and services to international buyers, fostering business relationships and increasing export opportunities.

The history of ITPO is a testament to India's commitment to fostering international trade and economic cooperation. From its humble beginnings as the Trade Development Authority to its transformation into the India Trade Promotion Organization (ITPO) has played a pivotal role in shaping India's trade policies, promoting its products and services worldwide, and positioning the country as a significant player in the global market place.

The comprehensive revamp plan of Bharat Mandapam, IECC project was conceptualized by the ITPO as per the direction of the Hon'ble Prime Minister Shri Narendra Modi in December 2015, the Cabinet Committee on Economic Affairs approved it in January 2017 for implementation in a mission mode. The project has a total built-up area of 4.2 million sq.ft. comprising an iconic, world class convention centre that can accommodate 7,000 people in a single format, six modern exhibition halls with an exhibition area of 1.5 lakh sqm and plenty of underground parking facilities and good infrastructure connectivity to encourage use of public transportation, but also allow roads to decongest fast. Bharat Mandapam is spread over 123 acres of prime land in the heart of India's capital, New Delhi.

The redevelopment of Pragati Maidan (now Bharat mandapam) was driven by the need to modernize and expand the existing infrastructure, accommodate the increasing demands of the trade and exhibition industry, and position India as a global player in hosting world-class events.

ITPO's regional offices are located at Chennai, Kolkata and Mumbai. The Chennai Trade Centre is managed by TNTPO is a joint venture of ITPO and TIDCO in Chennai, Tamil Nadu and Trade Centre in white field Bengaluru is a joint venture of ITPO and Karnataka Industrial Area Development Board, managed by the Karnataka Trade Promotion Organisation. Apart from organizing several exhibitions such as India International Trade Fair, AAHAR, India International Leather Fair, (Chennai), India International Security Expo, Delhi Book Fair and India International Footwear Fair, ITPO holds national level participation in leading overseas trade shows in line with the governments focus programmes for countries in Latin

America, Africa and CIS countries. Various policy matters were reviewed and refined to promote third-party organizations at Bharat Mandapam.

ITPO has been strictly adhering to the CSR and sustainability guidelines issued by the Department of Public Enterprises and applicable Act and Rules of the Companies Act 2013.

Likewise, the formal commissioning of the Trade Centre Bengaluru (TCB) at Whitefield in September 30, 2004 as a joint initiative of ITPO and the Karnataka State Industrial Area Development Board, is the harbinger of an added impetus to trade promotion through fairs, exhibitions and associated activities of the State and southern region.

On the advice of the Department of Commerce, ITPO has coordinated the construction of an exhibition-cum-trade-complex at Sarusajal, Guwahati under "Assistance to States for Developing Export Infrastructure and Allied Activities (ASIDE)' Scheme. The Maniram Dewan Trade Centre spread over an area of 10 acres has been completed and handed over to Government of Assam for further operation. ITPO is providing assistance to State Government of Jammu & Kashmir (J&K) in setting up Regional Trade Promotion Centres (RTPC) in Pampore (Jammu & Kashmir).

Jammu & Kashmir Trade Promotion Organisation (JKTPO) incorporated on 30th May 2018 as a Section 8 Company as per Companies Act, 2013 is a joint venture between Jammu & Kashmir Small Scale Industries Development Corporation Ltd., (SICOP), India Trade Promotion Organisation (ITPO) & Export Promotion Council for Handicrafts (EPCH) with a proportion equity as 51% from SICOP, 44% from ITPO and 5% from EPCH. An area of 270 kanals of land has been earmarked in an upcoming area of Sempora, Pampore located just 8 kms from Srinagar.

Similarly, ITPO is also providing assistance to State Governments in setting up Regional Trade Promotion Centres (RTPC) in Kochi (Kerala) besides other state capitals and major cities.

At present ITPO owns and manages the Bharat Mandapam Exhibition Complex which is the largest exhibition centre in India both in terms of exhibition space and the number of events held (approx. 90 events per year). The total area of Bharat Mandapam complex is 123.51 acres (inclusive of 5.53 acres occupied by National Science Centre and 2.49 acres by Crafts Museum).

BHARAT MANDAPAM

Bharat Mandapam has undergone a complete revamp to fulfil the aspirations of the global exhibition fraternity. It promises to attract global participants and business delegates from across the world with its sheer magnificence, business conduciveness, architectural excellence, and being a majestic landmark destination to be experienced in its entire splendor.

To overcome the lack of modern amenities, absence of an integrated exhibition complex and convention Centre , Bharat Mandapam was designed and International Exhibition-cum-Convention Centre (IECC) was made a project of National Importance. The world-class Convention Centre "Bharat Mandapam" was inaugurated by Shri Narendra Modi, Hon'ble Prime Minister on July 26th, 2023. Its establishment marks a transformative milestone for India's MICE Industry, opening up a plethora of opportunities for both domestic and international stakeholders. This ambitious revamp plan was aimed to position India as a crucial hub for international activities while championing the spirit of AatmaNirbhar Bharat.

The inception of the IECC Project traces back to December 2015 when the government envisioned a comprehensive overhaul of the historic Pragati Maidan in New Delhi. The Cabinet Committee on Economic Affairs (CCEA) approved the proposal for the Integrated-Exhibition-cum-Convention Centre at Pragati Maidan on January 24, 2017. The approval marked a step forward in the realization of this monumental project.

In terms of capacity, the Bharat Mandapam provides a variety of spaces catering to different needs such as general meeting rooms, premium meeting rooms, G-20 room, Leaders Lounge, Auditoriums, special and VIP. Level-3 boasts a grand seating capacity of 7,000 individuals with a 3000 seat plenary hall and a multifunction hall accommodating 4,000 attendees. A grand seating capacity of 7,000 individuals at level 3 of the Convention Centre makes it one of the largest in the country.

Bharat Mandapam stands as a technological marvel, embracing cutting-edge innovations to provide a seamless and state-of-the-art experience for all its visitors.

Being a flag bearer of all that is Indian in the true sense, IECC celebrates our country's rich heritage by bowing down and paying homage to our past and looking far into the promising future. The Iconic Bharat Mandapam stands out as the project's masterpiece, reflecting India's rich heritage while embracing the aspirations of a New India. It is conceived with a unique architectural design that beautifully blends India's rich cultural fabric with the aspirations of New India.

Standing tall on a 6 meter high podium, the Bharat Mandapam reiterates India's vision of Growth and Development, a path that India is taking towards becoming a Vishwa-Guru. Inspired from the Indian tradition, the shape of the building is derived from the Shankha (conch shell), the sound produced by which drives away evil spirits and is a mark of auspicious beginnings.

One of the key highlights being a Pre-Function wall depicting Surya Shakti, giving impetus to India's continuous efforts towards green energy through major milestones such as International Solar Alliance, One Sun One World One Grid etc. Another Pre-Function wall depicts India's wheels of progress, our journey from Zero to ISRO, celebrating our achievements in space exploration right from Aryabhatta to today's Chandrayan and Gaganyaan.

The G20 hall takes forward India's ethos of Unity and Integrity and Global Solidarity. Continuing the ideal of oneness, there's also a typography wall depicting the Pancha Mahabhuta-Universal Foundation, it signifies the basic building blocks of universal foundation that are the five great elements that equalize all of us. Aakash (Sky), Vayu(Air), Agni (Fire), Jal (Water), Prithvi (Earth). All these symbols emphasize that the world is one and reiterate the essence of India's Presidency of G20 which rests on the pillar of "Vasudhaiva Kutumbakam". In addition to the symbolic significance of these sculptures, the raw materials procured for their fabrication are also by nature-Indian. These modest steps are re-igniting the flames of a Self-Reliant India.

Also elements such as the Tree of Life and the India-Rising Sculpture further articulate India's free thinking, Progressive and Growth driven mindset.

Apart from the architectural elements, there is also a myriad of colors borrowed from the rich and diverse culture of India. From hand-crafted Kashmiri carpets from the northern most part of India to the Tanjore Paintings from the vibrant lanes of South India. Bharat Mandapam is an embodiment of India's inheritance showcasing the spirit of "Ek Bharat Shreshtha Bharat". By inculcating art forms such as Kalamkari and Madhubani Paintings, gives a wonderful peek into the folk history of our country and at the same time giving these art forms a colossal platform to further build "Brand India" by being "Vocal for Local". Inclusion of Tribal art forms such as Gond and Warli Paintings not only accentuate the vision of an Inclusive India but also pushes forth India's efforts of tribal welfare.

Bharat Mandapam is not only an architectural marvel and holding India's cultural heritage in its heart, it also envisages a bright future for the Indian dream of becoming the Light of Asia in the present century by promoting Trade and Commerce, Enhancing small and Medium Enterprises (SMEs), Attracting Foreign Direct Investment (FDI) and creating employment opportunities.

Since its conceptualization, the Bharat Mandapam not only organized one of the most prestigious international event G-20 but also met with tremendous enthusiasm and interest from the market. Already, it has received a staggering more than 100 enquiries for the next 24 months, indicating the strong demand and recognition of its world-class facilities and amenities. These requests span a diverse range of events, from international conferences and ministry level gatherings to industry-specific functions and sectoral conventions.

Bharat Mandapam epitomizes India's pursuit of economic and technological excellence. With its world-class infrastructure, it not only contributes to India's ambition of becoming a 5 trillion-dollar economy soon but also reinforces the principles of Atmanirbhar Bharat. As India sets its sights on the century of Asia, this centre becomes a beacon of progress, fostering international collaboration and showcasing India's capabilities to the world. It embodies the spirit of Amritkaal, celebrating the Azadi Ka Amrit Mahotsav, where India thrives as a global leader, making its mark on the global stage and upholding the cherished principle of "Vasudhaiva Kutumbakam" – the World is one family.

Bharat Mandapam is a landmark and iconic spot in Delhi and a symbol of the Prime Minister's vision of "New India" in sync with India aspiring to be a global power. Fulfilling aspirations of expanding the business fraternity, IECC will mainly cater go G2G, G2B and B2B activities. With the latest architectural design along with basement parking for 4500 vehicles and comprehensive traffic decongestion interventions, it will add to the grandeur, stature and profile of the capital city of Delhi.

ALL INDIA FOOD PROCESSORS' ASSOCIATION

206, Aurobindo Place Market, Hauz Khas, New Delhi-110016

AIFPA— INDIA'S PREMIER & PIONEER ASSOCIATION OF FOOD PROCESSORS, BY THE FOOD PROCESSORS, FOR THE FOOD PROCESSORS AND FOOD INDUSTRY

VISION OF AIFPA

All India Food Processors' Association (AIFPA) was established in the year 1943 by some highly motivated and visionary processors mainly involved in the processing of fruits and vegetables.

Subsequently, the Association took in its fold, processors from other sectors of the food processing industry and now it has in its ambit the food processors involved in processing of Fruits & Vegetables, Meat and poultry, Fish, Milk & Milk products, Cereals and Pulses and manufacture of a wide range of processed food products. These include fruit juices and nectars, jams, jellies and marmalades, breads, buns, biscuits and bakery products like cakes & related confectionery items, various types of milk products and yoghurts, ready-to- eat foods, confectionery items, various ethnic delicacies etc. including other stake holders like food Associations, Plant & Machinery manufacturers, Food Scientists/ Technologists, service providers etc. Member Industries account for a large percentage of the total production of processed foods in India as well as that of total exports of processed food products.

Since its inception, AIFPA had been significantly contributing to the development and growth of the food processing in all sectors of agri-horti commodities and thereby helping in reducing the enormous losses of perishable commodities occurring in the country.

MISSION OF AIFPA

The prime objectives of the Association include the following:-

a) To promote, encourage and support Indian Food Processing Industries and raise the technical standards, product quality and safety to not only meet the prescribed Indian Standards for safe food as laid down by the FSSAI but and also to match global standards so that Indian processed food products can have a good export market.

b) To actively participate in evolving quality standards & safety measures under the Food Safety and Standards Act-2006.

c) To seek redressal of the problems of the food processing industry that impede their growth and development by keeping a close liaison and interaction with the Ministry of Food Processing Industries and other Govt. agencies .

d) To conduct Workshops & Training Programmes to acquaint the persons operating the food processing industry about GMP, GHP, HACCP &FSMS Systems and also with new Technological Developments etc. and also organise National/International Seminars.

e) To collect, classify and circulate statistics and other information relating to production of agri-horti produce, production of processed foods in India and agri-food exports from India.

f) To encourage research projects to study the technical problems of the Industry and evolve methods of overcoming such problems.

g) To conduct and promote market research/market studies in India and abroad to enable the growth of the Food Processing Industries and help in the growth of marketing of processed food products.

h) To institute Awards and Scholarships to encourage Food Scientists and Technologists to evolve and develop newer processed foods which can widen and enlarge the market for processed foods.

i) To keep a good liaison with Govt. both with the Central & State administrators, consultants and executives who can help in the growth and development of the Food Processing Industries in India.

j) To publish a bimonthly technical Journal under the name “Indian Food Packer” which is over 72 years old and a monthly “E-Newsletter” as non-profit activities, which aim to keep the food processing units abreast of the latest worldwide developments in Food Processing, new products & processes, food additives, research programmes,

food regulatory issues etc.

LIAISON WITH RESEARCH INSTITUTIONS

The Association maintains a close liaison with the Research Institutions like the Central Food Technological Research Institute, Mysore; Defence Food Research Laboratory, Mysore; Indian Agricultural Research Institute, New Delhi, National Institute of Food Technology & Entrepreneurs Management, Kundli, Sonipat, Indian Institute of Crop Processing Technology, Thanjavur and other Institutes under the Indian Council of Agricultural Research, Nutrition Research Laboratory, Hyderabad under ICMR, Indian Institute of Packaging, Mumbai etc. and refers the problems of the Industry wherever necessary to these institutions for technological solution.

GOVERNMENT RECOGNITION

In regard to various matters concerning the Food Processing Industries in India, the Association is duly recognized by the Government of India, particularly the Ministry of Food Processing Industries as a Nodal Agency and it has close interaction with various Govt. bodies, such as:

(i) Union Ministry of Food Processing Industries.

(ii) Union Ministry of Health & Family Welfare.

(iii) Food Safety and Standards Authority of India established under Food Safety and Standards Act-2006.

(iv) Union Ministries of Finance, Agriculture, Commerce and Civil Supplies.

(v) National Horticulture Board (NHB), Ministry of Agriculture, Govt. of India.

(vi) Agricultural and Processed Food Products Development Authority (APEDA)

(vii) Export Inspection Council of the Ministry of Commerce, Govt. of India.

(viii) Bureau of Indian Standards (BIS) & its various Sectional Committees on subjects affecting the Food Processing Industry.

(ix) Empowered Committee of State Council of Finance Ministers on Value Added Tax (VAT), GST, etc.

(x) Quality Council of India etc.

SEMINARS & WORKSHOPS

AIFPA has been regularly organizing Seminars and Workshops at various places in the country on topics concerning food processing, quality standards of processed foods, new technologies in food processing, skill development & technology up-gradation, matters relating to taxation of processed foods, scope for marketing of processed foods both in India and abroad etc.

INTERACTION WITH INTERNATIONAL ORGANISATIONS & EXHIBITIONS

AIFPA keeps a close liaison with Foreign Embassies, Trade bodies and Chambers, delegations of different countries visiting India regarding opportunities in the food processing sector for their investment and development. Members are also encouraged to participate in the International Exhibitions & Events concerning the food processing sector.

MATTERS CONCERNING SAFETY AND STANDARDS OF VARIOUS PROCESSED FOODS & LIAISON WITH FSSAI AND OTHER STATUTORY BODIES

AIFPA has been working as a nodal body of food processors in regard to the development of safety & standards for various types of processed foods, holding discussions with stakeholders and suggest modifications required before the standards are finalized and notified by FSSAI.

AIFPA is one of the members of the Food Safety and Standards Authority of India (FSSAI) representing small scale food sector. AIFPA is also a member on the Central Advisory Committee (CAC) of FSSAI representing Food Processing Industry.

UNION FINANCE BUDGET

AIFPA has been making budgetary proposals every year on taxation matters concerning Processed Food Industry and the products thereon to the MoFPI for recommending them to the Union Ministry of Finance for inclusion in the Union Budget.

AIFPA'S JOURNAL, "INDIAN FOOD PACKER" and "E-NEWSLETTER"

The Association publishes a bimonthly technical Journal titled, "Indian Food Packer" (IFP). It is the official organ of the Association and is over 71 years old. This Journal voices the views of the Association and publishes regularly technical and other articles of interest to the Industry, Development News, Industry News, Food Safety matters and food standards etc. It contains nearly 100 pages of reading matter in each issue. Besides members of the Association, the Journal has subscribers from Agricultural Universities, Research Institutions, Home Science Colleges etc. in India and also a few subscribers from foreign countries.

The Association is also bringing out a monthly E-Newsletter carrying highlights & developments in Food Processing Industry/Food Technology, Events etc. The E-Newsletter is sent widely to a few thousands mail IDs of Food Processors, Food Scientists & Technologists, Food Machinery manufacturers, Food Additive manufacturers and Suppliers etc.

AIFPA AWARDS

The Association gives Awards every year to selected Research Scientists and other experts for contributing scientific papers of outstanding importance and useful to the Food Processing Industry. It also gives awards to distinguished personalities in different areas of Food Processing Industries.

AIFPA has instituted several Scholarships and Medals, which are being given every year to selected students of Food Technology for excellence in their courses.

MEMBERSHIP OF THE ASSOCIATION

The Association is committed to the growth and development of Food Processing Industries in India and extends its active support for its scientific advancement to meet the growing requirements of processed foods in the Indian and export markets.

As on date, a very large number of members are on the rolls of the Association and the Directory of Members contain all details about the profile of each member's corporate standing and can be accessed from our Website: www.aifpa.net

AIFPA GOAL

The sole aim and objective of the Association is to serve the overall interests of its members and help in the growth and development of the Food Processing Industries in India. While fully believing that in food sector, consumer's satisfaction & safety is of paramount importance.

An association with a vision

FHSAI, was incorporated in the year 2013, with the express intent of forgingactive linkages and lasting relationships, amongst all its members, spanning the entire ecosystem, of the Hospitality Trade. It strives to be different, from

its peers, by architecting itself, from inception, to achieve, its stated objective delineated below.

1)MEMBERSHIP: While, all who support the Hospitality Industry, thusfar, have no discriminating policy, with regard to membership and regale in the numbers game, we consensually and with firm intent, have decided,to apply rigorous entry criteria, to swell our membership and ranks, to all those entities, who can meet and better our in house, exacting criteria.It is a fervent hope that having players, who benchmark with excellence,in all their endeavors, will internally create a forum, where excellence,will not just be a buzzword, to pay lip service to but will imbue all their exertions and efforts. In a world where 'change is the only constant' and a ''GLOBAL MINDSET'' a prerequisite, to survival, we have to excel, always,if we are to prosper. We wish to redefine and reinvent, the very paradigm, of engagement, amongst all our members, present and prospective, for them, to achieve their full potential and for us, to scale ever new heights.

2)CONNECTS: In an increasingly commoditized, world, where competitive advantages, are blunted, in a flash and blur, we shall strive to maintain a continuous communication, amongst all our members, so that we can all partake of, the best-of-breed thinking and collectively harness, our learning's,to mutual benefit. To stay contemporary and relevant, we must be alive to global currents and extant thinking, in our respective spheres.FHSAI, In an ever connected world, will strive, to create B2B2C, connects, through expos, both local and global, internal facilitation, to better interface with each other, sponsoring frequent buyer and seller meets, to help trade prosper. As a unified, coherent, cohesive whole, we are best equipped, to represent the Hospitality Trade, before regulators, Chambers of Commerce and Governments, as an interest and subsequently a pressure group, to effectively lobby, for policy changes and amendments that we collectively feel are either outdated, have

outlived their purpose, or portend as bottlenecks, to the industry. We are fortunate to have as a founding member,our Exclusive Media Partner AAHAR WAYS, which has played, a sheet anchor role in bringing FHSAI this far and will underpin all efforts, in our future journey to grow and prosper.India is a young country today, by sheer demographics and as many of our Patrons, hand over the baton, to the next generation, to run their affairs, we too, will endeavor, to harness the full potency of social media, Whether harnessed through a Tab, Phab, Netbook or Smartphone.in doing so, we invest in our own survival. We must be global (Global + Local),In our thoughts, actions and beliefs, if we are to prosper in a bewildering and tumultuous, world order.

3) THOUGHT LEADERSHIP: In a world and economy, in a constant stateof churn, thought leadership, is a critical investment, to define ever new ways, of engaging, a very fickle and brittle client attention span! That said, we need

to articulate new paradigms, to understand, the new consumer, with his idiosyncrasies. FHSAI, will strive, to comprehend, the new vortices of change and learn to harness, the new economy.Today, grappling with and understanding, consumer behavior, is very data driven and intensive, FHSAI, will promote just this kind of thought championing, through podcasts, webinars and white paper, in order that all our members and us, can successfully navigate, the cusps of change and disruption, that if not heeded,can decimate and ruin us.

4) REGULATORY CHANGE: All Industries, ours being no exception, are subject to a regulatory overhaul, in varying degrees, whether it's HACCP, or label integrityor new global standard's, in vogue, FHSAI, will disseminate, in near real time, amongst all its members, such changes and collectively ponder, a unified response.

5) ALTERNATE DISPUTE RESOLUTION: Despite our best efforts, often, specially in our trade, we need to face up to a trade dispute, willy nilly. As, felt by us all litigation being both expensive and counterproductive, we propose to set up, an ADR Mechanism, where mediation and sage counsel, will prevail, relative to arbitration, as it is both expeditious and frugal.

6) INSTRUMENT OF CHANGE: Charles Darwin, beautifully quoted, many eons ago'' The species who survive, any calamitous change, any not the most intelligent or the strongest but the most responsive to change''FHSAI, premised on just such scaffolding, promises to be more than a breath of fresh air ! It will bring disruptive and a challenging perspective, to all the ills, that ail ourIndustry and collectively cobble together responses and solutions.

Let us then, galvanize our strength and harness our thinking, to discover a strength of purpose, which is lying latent, to collective gain.

The FIFI Pavilion at AAHAR 2026
Where Global Flavors Meet Indian Opportunity

We cordially invite Food and Beverage (F&B) visionaries to experience the FIFI Pavilion (Hall No. 1 & 2)—the epitome of luxury and global excellence at AAHAR 2026. Conveniently located with direct access via Gate No. 6, this premier arena is designed to be the heartbeat of international trade during India's flagship hospitality event.

Why the FIFI Pavilion is Unmissable?

FIFI (Forum of Indian Food Importers) has curated a high-impact ecosystem for 2026, offering more than just an exhibition space. It is a strategic bridge between global brands and the Indian market.

- Global Footprint: Engage with country pavilions from Brazil, UK, Canada, Thailand, Chile, Australia, Vietnam and more.
- Scale & Variety: Explore a curated selection from over 9,100 brands, showcasing the latest trends in gourmet, wellness, and staple F&B.
- Targeted Networking: Join a sophisticated crowd of 40,000+ trade visitors, including key decision-makers from:
- Organized, Unorganized, and Travel Retail
- HORECA (Hotels, Restaurants, & Catering)
- Leading E-commerce Platforms
- Executive Chefs and Purchase Managers
- Diplomatic Missions and International Chambers

Details of Venue:

- March 10 – 14, 2026
- Location - Hall No. 1 & 2, Pragati Maidan, New Delhi
- Primary Entry - Gate No. 6 (Direct Access)
- FIFI Partnership - Exclusive Importer Partner of AAHAR

A Legacy of Excellence: As a cornerstone of the agriculture and F&B industry in India, our partnership with AAHAR 2026 fosters ground-breaking collaborations and meaningful connections that drive the industry forward.

We would be delighted to welcome you to this annual extravaganza. Let us help you navigate the future of food.

About AAHAR 2026

The 40th edition of AAHAR - The International Food & Hospitality Fair will be jointly organized by the Ministry of Food Processing Industries (MoFPI) and India Trade Promotion Organisation (ITPO) from March 10-14, 2026 at Bharat Mandapam (New Delhi). AAHAR is one of Asia's best-known brands in Food & Hospitality shows. AAHAR is one of Asia's biggest B2B best known brands in Food & Hospitality shows. The show has a rich legacy of 39 years. The show has grown by leaps & bounds in the recent years and has become the ultimate destination for global vendors and sourcing professionals. Spread over a gross area of over 1,15,000 sqm, AAHAR 2026 provides excellent opportunities for Networking Avenues, Online Match-making, pre-scheduled meetings and new product launches.

AAHAR is an order-writing show where the hotel industry, restaurants, catering industry / institutions, importers, buyers / distributors meet with vendors, to source best of the products in the food, hospitality & equipment sectors. Senior management, professionals like CEOs, Managing Directors, Vice Presidents, Directors, General Managers formed a substantial part of the visitors.

TIRED OF STICKY BROWN-SUGAR SACHETS?

Our Desi Khand (moisture ≈1.5%) is non-sticky, chef-ready, and handcrafted—chemical-free.

FED UP WITH RICE-SYRUP-ADULTERATED HONEY?

Our pure honey is sourced from Mohan Ghee's village beekeeper network—minimally processed, lab-tested, and backed by nearly 80 years of trust.

MORHAV ORGANICS
